FOR IMMEDIATE RELEASE

BEDFORD, NH, April 18, 2011 - Poop, Scoop & Away, LLC is proud to announce that it has achieved a significant milestone by marking its 5th year in business in April 2011. Established in 2006, owner and manager, Annette Kuhn, reflected on the past five years by saying, "Poop, Scoop & Away was founded to provide a reliable, convenient and customer-oriented pooper scooper service to busy dog owners. We started by servicing the Greater Manchester area during the first two years, and in response to the growing demand for our services, we expanded to the Greater Concord, Southern New Hampshire and Seacoast areas" and Poop, Scoop & Away has been growing ever since. "Our focus on providing superior customer service has been an integral factor in our businesses' growth and success. Scooping up dog poop is not rocket science. It's the way we run our business that distinguishes us and also motivates our customers to recommend us to their family and friends."

Annette is enthusiastic about the future saying, "A lot of start-up companies don't survive the first five years. To be successful in that amount of time is even better, and we're looking forward to the next five years cleaning up New Hampshire, one yard at a time!"
